PREPARE FOR COLLEGE

Illinois Colleges

Finding a College or University can be an overwhelming experience with many factors to consider including; institution type, the type of degree offered, the available coursework or field of study, tuition and housing costs, total enrollment, location, student to faculty ratios and so on. To begin a search of Illinois colleges go to Illinois Mentor at www.collegezone.com

College Zone is a comprehensive source for college information as well as the official Web site for the Illinois Student Assistance Commission (ISAC). You will find outreach activities to help you prepare for college including publications and applications for financial aid, resources for planning your college experience, career information and current news and announcements in the area. You will want to thoroughly explore this site.
